Riesling Platin 2025

Our Riesling classic presents itself with elegant stylistics, mineral character with clear and delicate stone fruit nuances of peach and apricot; the noble grape variety in youthful expression.

Making of the wine

Only physiologically ripe and healthy grapes were selectively harvested by hand and carefully pressed with low pressure as whole bunches. Without any use of pumps, the must flowed from the press house into the 700-year-old natural cellar and was slowly fermented in stainless steel tanks. This mainly enhances the delicate aromas and flavors. The wine then matured for some time on its fine lees, which again emphasized the complexity.

Vintage 2025

The vines started the 2025 wine year with a good water reserve. Bud break was a little later than usual, but flowering began in early June. Rainfall at just the right time during a warm but not extreme summer allowed the vines and grapes to thrive beautifully. The weather at the start of the harvest end of August could hardly have been better: sunny days and cool nights. This was also reflected in the taste of the grapes – full of vitality and freshness, with a ripe acidity structure and the finest aromas. In mid-September, brief rainfall brought cooler temperatures and wind, but slowed down the selective hand harvest as we consistently sorted out any botrytis. After six weeks of intense concentration, emotions and incredible team spirit, calm finally returned to the vineyards. Even shortly after the harvest, the young wines were already displaying elegance, precision and vibrancy, and we are delighted with the great 2025 vintage.

Recommendation

The Riesling Platin finds its ideal complement in modern, light cuisine, in the combination with spicy appetizers, fine vegetable dishes, fish or delicately seasoned, light meat such as chicken or veal.
